We are delighted to introduce 'YOUR PARISH APP'. A team of people have been working on it for some time now and we are ready to share this great tool which hopefully will help you to connect with your parish even more and to have more needed information on what's going on anytime you open the app.

'YOUR PARISH APP' is **free to download** and available on all smart devices through the **App store or Google Play** store. In the app you will find: Calendar with events, Messages, Explore - News - Faith—Daily Reflections, Homilies, Readings of the day, Sacraments info, Parish priests, staff, newsletters and school info. You can also 'Engage' by sending Prayer requests or Volunteer requests or even by making a donation to support your parish. **PLEASE NOTE: In SETTINGS**, you can make your preferences for notifications about news, events, Liturgies, Parish Ministries, Confirmation and First Holy Communion notifications for the Sacramental preparation for adults.

IMPORTANT: Once you download the app, you will be given a choice of parishes, Jobstown/Brookfield and Springfield. Just select your parish and you are ready to go!
